

THE ORIGINAL EGA® HOLISTIC SOLUTION

Massage Oil: At Ease

Massage Therapy A Wellness Retreat to Recharge

Your body, mind and spirit deserve the absolute best! The use of essential oils in massage is a way to maximize the healing power of the massage itself. When combined with essential oils, a massage can have a powerful calming or energizing effect, depending on the oil chosen. Massage oils let you treat yourself to one of the oldest and most effective treatments for your well-being.

Massage oils have the power to transform our emotions and make our bodies feel good. It has the power to take us to another place and time.

Our massage oils are enhanced by our AMized Fusion Technology® (AFT). These massage oils are therapeutic as it combines the natural therapeutic properties of the essential oils and the healing power of massage therapy. It gives a pleasant method of physical, emotional and mental clarity, relaxation, and rejuvenating experience.

At Ease is an energized massage oil that assist you to feel better due to the body release of endorphins.

The beneficial aromas from At Ease massage oil enter the body through the airway passage, providing stimulating benefits which promote enhanced relaxation.
