Massage Therapy A Wellness Retreat to Recharge

Your body, mind and spirit deserve the absolute best! The use of essential oils in massage is a way to maximize the healing power of the massage itself. When combined with essential oils, a massage can have a powerful calming or energizing effect, depending on the oil chosen. Massage oils let you treat yourself to one of the oldest and most effective treatments for your well-being.

Massage oils have the power to transform our emotions and make our bodies feel good. It has the power to take us to another place and time.

Our massage oils are enhanced by our AMized Fusion Technology® (AFT). These massage oils are therapeutic as it combines the natural therapeutic properties of the essential oils and the healing power of massage therapy. It gives a pleasant method of physical, emotional and mental clarity, relaxation, and rejuvenating experience.

Meridian Natural massage oil helps with stress relief and a deeper experience of wellness.

Contains:

Jojoba oil, Avocado oil, Vitamin E

"By stimulating the circulation and lowering stress hormones, massage eases stiffness and pain in arthritis sufferers." Life Magazine
